WALKER ANNOUNCES NEW DIRECTOR OF COMMUNITY RELATIONS

MILWAUKEE – County Executive Scott Walker recently appointed Hattie Daniels-Rush as his Director of Community Relations. Mrs. Daniels-Rush has a Bachelor of Science degree in education, a Master of Science degree in social work, and is currently a doctoral candidate at Trinity University. She is highly active in her service to her church, the community, and nation through various volunteer activities and professional duties.

“Hattie brings a lot of experience from her extensive community involvement, as well as a diverse array of skills,” said Walker. “She’ll be a great liaison for the community as we continue our work to make Milwaukee County a great place to live, work, raise a family, and retire. We have a lot of things we want to get done and Hattie will play an important role.”

In joining the staff, Daniels-Rush said, “I am honored to have an opportunity to work for County Executive Walker, and to serve the community in yet another capacity. It’s obvious that Scott Walker cares a lot about our community, and I’m very excited about his ideas and where we’re headed.”

Mrs. Daniels-Rush replaces Dashal Young, who recently transitioned to a position in Human Resources where he will focus on employee recruitment and building a pipeline relationship with educational institutions.
